## Slightly Stoopid, Reward For Me

everyday my heart is sore
it seem that im so poor
but i shall not give up so easily
theres a reward for me
theres a reward for me
though im boarded down with shame
still theres no one here to blame
but i shall not give up so easily
theres a reward for me
theres a reward for me
theres a reward for me

everyday sing
theres a reward for me
everyday my heart is sore
it seem that im so poor
but i shall not give up so easily
theres a reward for me
theres a reward for me
theres a reward for me
everyday sing
theres a reward for me
