

# Slightly Stoopid, Wiseman

said the man  
who feel him a fool  
for he be the wiseman  
for the man  
who don't think he's a fool he  
control his destiny  
but he's too cool for himself  
for himself  
for himself  
all i need  
is something to keep me movin on  
in a world  
where violence reigns  
and everybody seems so strange to me  
said the man  
who feel him a fool  
for he be the wise man  
for the man  
who dont feel him a fool he  
control his destiny  
yeah he's too cool for himself  
for himself  
for himself  
ohhhh ohhh ohhhh oh  
this weapon of destruction  
swallows peoples suffering  
and no confusion  
you aint winnin if your losin  
we don't need  
said the man  
who feel him a fool he  
for he be the wiseman  
for the man  
who don't think he's a fool he  
control his destiny  
but he's too cool for himself  
for himself  
for himself  
oh
