

# Slim Thug, Everybody Loves A Pimp

::Chorus::

Everybody loves a pimp  
Chuch,chuch...Tabernackle, tabernackle...Preach, preach  
Everybody loves a pimp  
Chuch,chuch...Tabernackle, tabernackle...Preach, preach  
Everybody loves a pimp

The way I talk, the way I dress  
I be soo clean, I look soo fresh  
The ice I wear, the car I drive  
The hoes I got, they look soo fly

When ya pimpish...ya pimpin  
Everybody loves a pimp  
When ya pimpish...ya pimpin  
Everybody loves a pimp

::Verse 1::

You know da Boss got bitches galore  
And you may have a lotta bitches but he got much more

Ya need a pimp in ya life thats gon' guide ya right  
Wont handcuff ya when ya try'na creep at night  
I dont lose sleep at night behind that  
Nah I dont care, I be hibernatin call me Yogi Da Bear  
I'm a pimp baby, thats why I hold my nuts and walk wit a limp baby  
I know you tired of dealin wit all them simps baby  
So gon' hop on my team and drop ya wimp baby  
It's that simple baby

::Chorus::

::Verse 2::

Slim aint wit gettin drama from chicks  
So when my boo turn bitch thats my cue to switch  
You wont catch me throwin licks cos my feelins involved  
I just erase 'em out the black book, problem solved  
Bitch should learn how to keep her mouf closed  
I got ZERO toleration for hoes  
Move to the next one, theres plenty fish in the sea  
And plus theres plenty other chicks that dig me  
I'm a pimp baby, thats why I hold my nuts and walk wit a limp baby  
I know you tired of dealin wit all them simps baby  
So gon' hop on my team and drop ya wimp baby  
It's that simple baby

::Chorus::
