

Slim Thug, I Ain't Heard Of That

(feat. Pharrell Williams)

(Intro - Pharrell Williams)

Muhfuckers we them!!

STAARRR TRAAAK RIIIDERS YEAH!!! (WHOO! C'MON!)

(Chorus - Slim Thug)

I don't take 'em out to eat

I ain't here to trick or treat

I ain't trying to fix your weave

I ain't heard of that!!

I'm just here to train ho's

Put 'em on the main road

Teach 'em how to 'Change Clothes'

I know you heard of that!!

Change your whole attitude

It's time to take off your cool

If it make you wanna move, then move

My niggaz get up on it, live bitches throw it back

Ma, act like you want it

I know you heard of that!!

(Verse - Slim Thug)

I'm the Young Texas A-Rod, KG of the game

LeBron James, you niggaz must not know my name

I'm Slim Thugger motherfucker! Tha Big Boss of the South

And I don't just talk it wit my mouth

I back it up wit my vow

Before Jimmy cut the check, it was 50 on my neck

And over 50 in my ear, I'm the Rookie of the Year

I'm here - for the 'Takeover', not out to replace Hova

But there's a new hustla in town, yeah the break's over

Don't get me confused wit the rest of them dudes

I've been Tha Boss down South, I'm just new to a few

Please believe, them niggaz don't do what I do

I got everything them other rappers got times two (WHOO! C'MON!)

(Chorus)

(Verse - Slim Thug)

I'm that new problem outta Houston, you got word of that?

It's Slim Thug and Neptunes, I know you heard of that

Ask your girl, she'll tell ya the truth

Your boys cool, but you can't fool wit the Boyz-N-Blue

I got something on my neck worth more than yo house

I got something in my yard worth more than yo spouse

I got something on my wrist worth more than ya team

And that car you think clean ain't worth more than my ring (hold up!)

Who yo know roll Bentley 'fore the album drop?

And still got a few from Pharrell to make the album hot? (Slim Thug!)

Yeah I hear y'all but don't see you niggaz

Y'all just making words rhyme, y'all ain't seeing these figgas!! (WHOO! C'MON!)

(Chorus)

(Bridge - Pharrell Williams)

Go on and move your cool if you want to (get out your seat girl)

Go on and make your moves if you want to (I said get up)

You can act a fool if you want to, you know you wit them

STAARRR TRAAAK RIIIDERS YEAH!!!

(Verse - Slim Thug)

You rolling clean? I saw the shit you drive

You need to call MTV and tell 'em pimp your ride
I'm tired hearing all y'all wimps wit all y'all lies
Fake niggaz dissapear, real niggaz let's ride
I'm rich bitch like Dave Chapelle
Ask Geffen and Interscope why I gave 'em hell
My advance was more than most rappers get paid from sales
I made 'em pay for all the days I was living in hell, yeah!
Now my estate sit on top of the lake
It feels great, I got an R&B chick as my mate (Thugger!)
I does it big my nig, I deserve a plaque
It's Boss Hogg Outlawz, I know ya heard of that!! (WHOO! C'MON!)

(Chorus)

(Bridge)
