

# Slipknot, Seek 'N' Strike

Here we go...Another day, another strike  
Here we go...Its the living sacrifice  
Here we go...Against your bullshit ways  
Here we go...Against your false pretend  
Here we go...Another day, another huor  
Here we go...Take back the power  
Here we go...Id rather die on my feet  
Here we go...Than keep living on my knees  
Here we go...Another day, another strike  
Here we go...Jumpdafuckup and fight  
Here we go...Another place, another tribe  
Here we go...No, we wont take your bribe  
Here we go...Another day, another night  
Here we go...With this music unite  
Here we go...Another freedom fight  
Here we go...God bless me inside
