

Slipknot, Skin Ticket (Live)

Zero and zero is nothing but zero
Cancer and people conspire together
Running and running and going forever
Collected and sampled, starving for zero

Come see my cage - built in my grain
Come see my cage - built in my grain
Come see my cage - built in my grain
Come see my CAGE - BUILT IN MY GRAIN

Minus the inside and minus the circle
Inhabit the riddle and fill in the hovel
Wherein and herein, between us and near us
Zero and zero is nothing but zero

Come see my cage - built in migraine
Come see my cage - built in migraine
Come see my cage - built in migraine
Come see my CAGE - BUILT IN MIGRAINE

Keeping myself alive
Through your EMPATHY

AND BECAUSE...

Keeping myself alive
Through your EMPATHY

Keeping myself alive
Through your EMPATHY

Keeping myself alive
Through your EMPATHY

Keeping myself alive
Through your EMPATHY

LEAVE ME ALONE

Keeping myself alive x18

Keeping my... self... alive
