Slipknot, Skin Ticket (Live)

Zero and zero is nothing but zero Cancer and people conspire together Running and running and going forever Collected and sampled, starving for zero

Come see my cage - built in my grain Come see my cage - built in my grain Come see my cage - built in my grain Come see my CAGE - BUILT IN MY GRAIN

Minus the inside and minus the circle Inhabit the riddle and fill in the hovel Wherein and herein, between us and near us Zero and zero is nothing but zero

Come see my cage - built in migraine Come see my cage - built in migraine Come see my cage - built in migraine Come see my CAGE - BUILT IN MIGRAINE

Keeping myself alive Through your EMPATHY

AND BECAUSE...

Keeping myself alive Through your EMPATHY

LEAVE ME ALONE

Keeping myself alive x18

Keeping my... self... alive
