

Slipknot, Sulfur

My guilt and my shame
Always sell me short, always feel the same
And my face and My Soul
Always wear me thin always under control

But the longest hours you'll have in your life
Are the ones you sit through to know if you're right
So I'll wait, but I'll pray that I'm wrong
Because I think I know what's going on

So let me get this straight, the only will is my own
I do whatever I want and stay alone
All my decisions make it
Untouchable and tainted

I'm gonna suffer for the rest of my life
But I will always find a way to survive
I'm not a failure, but I know what it's like
I can take it or leave it... or die

Stay, you don't always know where you stand
'Til you know that you won't run away
There's something inside me that feels
Like breathing in sulfur

My Life is undone
I'm a sinner to most but a sage to some
And my Gods are Untrue
I'm probably wrong, but I'm better than you

And the longest hours I've had in my life
Were the ones I went through to know I was right
So I'm safe, but I'm a little outside
I'm gonna laugh when I'm buried alive

Stay, you don't always know where you stand
'Til you know that you won't run away
There's something inside me that feels
Like breathing in sulfur

Like breathing in sulfur
Like breathing in sulfur

Stay, you don't always know where you stand
Till you know that you won't run away
There's something inside me that feels
Like breathing in sulfur

Stay, you don't always know where you stand
"You don't always know where you stand"
Till you know that you won't run away
There's something inside me that feels
"There's something inside me that feels"
Like breathing in sulfur

Like breathing in sulfur
Like breathing in sulfur
Like breathing in sulfur
Like breathing in sulfur

Like breathing in sulfur
