

Slipknot, Tattered & Torn (Another Version)

Tattered and Torn

Tattered and Torn
That's where my soul is worn
Tattered and Torn
That's when I was born
Tattered and Torn
I broke away from me
Tattered and Torn
I knocked me to my knees

Tattered and Torn
I drink my own cells
Tattered and Torn
A decomposing well
Tattered and Torn
Roaches in my head
Tattered and Torn
I become the living dead

Tattered and Torn
Torn (x8)

Tearing myself apart from the
things that make me hurt (x8)
