

Slits, Shoplifting

Put the cheddar in the pocket
Put the rest under the jacket
Talk to the cashier, he won't suspect
And if he does...
Do a runner!

Ten quid for the lot
We pay f**k all
Babylonian won't lose much
And we'll have dinner tonight
Do a runner!

Camera's trying to watch us
Mirrors and TV
But they're not gonna catch us
'Cause we're gonna gonna gonna run run run
Do a runner!
Run!

Ten quid for the lot
We pay f**k all
Babylonian won't lose much
And we'll have dinner tonight
Do a runner!
Run!

(I've pissed in my knickers)
