

# Sloan, Deeper Than Beauty

I suppose I've seen you three times now  
and I guess that I'm wondering how  
you keep the boys at bay  
I have a feeling that they are wondering too

I've seen you with your hair down at least 5 times  
I've always wondered what make man commit crimes  
But even I would sometimes  
If it weren't for the likes of you

And your glasses your hideous glasses  
When you remove them I'd rather skip my classes and be caught  
Then to entertain the thought  
That someday you'll just put them on again

But I can make the best of it until then

Still I know you go deeper than your beauty  
You go well above and beyond  
The call of duty to your country and your school  
But I grew up too cool

Like the rest of us with our thumbs up our asses  
If you call I will come  
But I'm about as quick as molasses  
When I dream of you you're not wearing your glasses
