

Sloan, Flying High Again

We can make it like we never met
Keep in mind that you'll never hear the end of it
It went okay, so far, so good I guess
At least until all the people get out of it

Flying high again
Flying high again
Flying high again
Flying high again

Said so long we'll be sad to hear
Right or wrong, you know we'll never disappear
We're flying high
And some people think we're crazy

Flying high again
Flying high again
Flying high again
Flying high again
