

# Sloppy Meateaters, Hang On To Me

I love the way I think the world owes me something  
They'll all be sorry when they see what I can do  
forget it, it's over i can't take that pressure  
I'm not very good at this if you can't tell by now  
Do you believe in me?

Hang on to me -- I promise you

Forget the norm i'll take the path less traveled  
take what i've got, make it all I want  
I'm in control, no mercy, no boundaries  
sick of watching my life crash around me  
Do you believe in me?

There's a force over the mountain, under the rivers, deeper than wisdom  
So Stick my me, we'll find a way  
to make it through this hell together

"I see you standing, standing on your own  
it's such a lonely place for you, for you to be  
and if you need a shoulder, or if you need a friend  
I'll be here standing until the bitter end!!"
