

# Sloppy Seconds, Your Sister

hey man, I kinda like your sister (yeah yeah yeah)  
hey man, I hope thats cool.  
hey man, i'm gonna lose my mind  
every single time I find your sister,  
suntannin by the pool.

hey man, I wanna see her naked (yeah yeah yeah)  
hey man, i'm always in her room  
all alone when no ones there,  
goin through her underwear  
and hey man, I gotta see her soon.

hey man, I wanna get her pregnant (yeah yeah yeah)  
hey man, how can I resist her (resist her)  
the day I give her a wedding band,  
are you gonna be my best man?  
and hey man, I kinda like your sister  
I kinda like your sister  
I kinda like your sister  
I kinda like her!
