Slowdive, The Sadman

I know there is It all away It all goes round The house today The reason why You're leasing time The sadman calls He calls for you The (...) (...need to be...) The sadman calls He calls for you The things you say The songs that shine For all the time I count the ways Your smile (...the place...) The sadman calls He calls for you You hurt my feelings, (...you needed me...) The sadman (...) He (...) for you
