

Slowride, I'm A Jenny Jones Zero

i tell ya somethin'
this ain't nuthin'
all i'm sayin'
is you're my everything

you're my pumpkin
sugar dumplin'
you're a hero
to this jenny jones zero

all i can say is:
if it's all the same
i would take your name
instead of you takin' mine

and yeah it seems
that i live in dreams
but thats where i spend my time
i have done it all my life
