

# Slowride, Self Improvement - Lesson One

i don't like the way you're actin' now  
i want to kill you but i don't know how  
should i use my words to hurt your pride deep inside  
i don't think you're worth my clever mind

and it's hard to say:  
(it's so insane)  
i want you off my brain  
by any means necessary

i don't like the way you speak to me  
it comes out ugly and so inecere  
so with this i'm tellin' you goodbye  
bye bye  
i hope you've had a happy so called life

i don't like the way you're treatin' me  
i want to kill you, but do it quietly  
so i'll use my acoustic guitar - and go far  
how ya like me now that i'm a star
