

Slumpark Correctional, Lick The Dropping (F.T.U)

Tables... turn again
You're... classified as scum
Dirty... filthy mud
Unfair? Yeah fucking right!
Treatments... we underwent
Something... that you will taste
Double... standards prevail
You're on ... the other end!
Oil ... leaking through that door
Sucker... clean up my floor
Down.. lick the droppings
Suck it... you are my whore!
Fate...made a statement
Shoved... your face in shit
Hate... the world will notice
Crap... your fucking pants!
Roam... through the sand hills
Bang... your hundred wives
Let... your beards grow further
Reach... your stinky feet!
Oil ... leaking through that door
Sucker... clean up my floor
Down.. lick the droppings
Suck it... you are my whore!
