

# Slumpark Correctional, Opposition

I'm at the front of your hate  
I live the life you disdain  
I am the sawdust you breathe  
I bleed the hope that you claim  
I see your pain and I scorn  
I am the death you foresee  
I am your inner remorse  
I am what you'll never be  
I am the voice in your mind  
Fueling your worries and doubts  
I live to value your sins  
I die so you don't belong  
I am the sins you deny  
I am the guilt you affirm  
I am the trust that you've lost  
I'm here when you are no more  
I'm your living opposition  
I am the face of disease  
I'm your medieval decree  
You'll never level with me!  
You're disregarded and torn  
I am the wound that you bleed  
I am the shit that you're fed  
I am the gap in your mind  
I'm the incentive of lies  
I am your social defeat  
I am the failure you meet  
I'm your sadistic demand  
I am your self-hating seeds  
I'm your living opposition  
I'm your... opposition  
I'm your... opposition
