## Slurpymundae, Hobbling The Army

So anyway, What's to say? When everything seems so far away So listen here Let us make ourselves clear Cause we've only got one thing left to say

Don't it always come down to something Keep on pushing us back to nothing Be afraid because silver moon is shed (?) Deal with it So deal with it

So tell me how
We deal with this now
Cause lately it's way to much for me
While unexplained
So much is the same
But we've only got one thing left to say

Don't it always come down to something Keep on pushing us back to nothing Be afraid because soon the moon has shed Deal with it So deal with it

I gotta get outta here
I gotta get outta here, my friend
I gotta get out
We gotta get outta here my friend'
