Slurpymundae, Undecided

I've seen all I need to see And I've known the fact you cheated me And I've seen everything you've seen (yeah)

And fresh thoughts always seems to be It's not what's inside of me I can't touch anything you've seen (yeah)

She waited Love never came Oh and she waited Love never came

And I've seen all I need to see I've known the fact you cheated me And I've seen everything you've seen (yeah)

She waited Love never came Oh and she waited Love never came

She waited Love never came Oh she waited Love never came Undecided {x4}

I've seen all I need to see (Undecided)
I've known the fact you cheated me (Undecided)
I've seen everything you've seen (yeah) (Undecided)
