

# Slut, Wednesday

Black are the Gesture of Yours  
Black is the Way to lead your Life  
Black are the Dresses You wear  
Black are the Days beneath Your Sunlight

Another Riddle, Another Wall  
Another Task, Another Call for Love and Help from all

Will be Wednesday when You're leaving, with a lot of Questions  
If I could only see them, I just see your Reflections

There's a hundred million people the whole wide World is sleeping now

Black is the Look in your Eyes  
Black is the White beneath your Skin  
Black are the Words that we might say  
Black is the river that we swimming while grinning

Will be Wednesday when You're leaving with a lot of Questions  
If I could only see them, I just see your Reflections

There's a hundred million people having their opinion each - and the whole wide World is going to

There I stand with my fairy eyes - those empty eyes - indeed

Black is the Look in your Eyes  
Black is the White beneath your Skin

So come on, come on and let me know, if there is nothing left to go or hide from what's outside, if w

Will be Wednesday when You're leaving with a lot of Questions  
If I could only see you, just see your Reflection  
Here I stand with my opinion as empty as a boy can be - and the whole wide World is falling all asle
