

Sly Fox, Lets Go All The Way

Sitting with the Thinker trying to work it out
It's a traffic jam of the brain makes you wanna scream and shout
Presidential party no one wants to dance
Looking for a new star to put you in a trance
Lets go all the way
Lets go all the way
Yeah yeah yeah yeah yeah
Lets go all the way
Working in a factory eight days a week
Try to make dollar damn what a beat
Cartoon capers happen in reality
Rich man poor man living in fantasy
Lets go all the way
Lets go all the way
Ah ah ah lets go all the way
(Wow, fuck yeah)
Yeah yeah yeah
Livin' in New York looks like an apple core (apple core)
Asphalt Jungle got to be a man of war
California dreamers sleeping in the sand
The Hollywood Squares are living in Disney Land (weeeehaaaa)
Lets go all the way (Lets go all the way)
Lets go all the way (Lets go ah ah ah)
Lets go all the way - Lets go all the way
Lets go all the way
We need heaven on earth today (ah ah ah)
We can make a better way
Lets go all the way
Go all the way
Yeah, lets go all the way
Yeah - na na na na na na na na na na na na na na na na yeah
