

# Sly & The Family Stone, Dog

The purr of a tame house cat  
The smile of a Miss Congenial  
The worth of a poison rat  
This at last

The nerve of you  
The nerve of you  
You treat me like a fool  
Tryin' to make me blow my cool  
You think you know it all  
But you've got a lot to learn

Every dog, yeah, has his day now  
Now I'm gonna see you get yours  
You took the key to my heart  
Now I'm gonna change the lock on the door

One dog, yeah, one day now  
When it's over I'll be on my way singin'  
Doggie, doggie, doggie, doggie  
Singin' dog dog oooh dog

The sweetness of a flower  
The love you put on me  
The glow of a silver moon beam  
The sting of a mad queen bee  
You stung me

The nerve of you  
The nerve of you  
You treat me like a fool  
Tryin' to make me blow my cool  
You think you know it all  
But you've got a lot to learn

Every dog, yeah, has his day now  
Now I'm gonna see you get yours  
You took the key to my heart  
Now I'm gonna change the lock on the door

One dog, yeah, one day now  
When it's over I'll be on my way singin'  
Doggie, doggie, doggie,  
Singin' doggie doggie ooh  
Dog dog oooh dog  
Dog dog oooh dog  
Dog dog oooh dog
