Sly & The Family Stone, I Want To Take You Hig

If you want me to stay I'll be around today To be available for you to see I'm about to go And then you'll know For me to stay here I've got to be me You'll never be in doubt That's what it's all about You can't take me for granted and smile Count the days I'm gone Forget reaching me by phone Because I promise I'll be gone for a while When you see me again I hope that you have been The kind of person that you really are now You got to get it straight How could I ever be late When you're my woman takin' up my time How could you ever allow I guess I wonder how How could you get out of pocket for fun When you know that you never number two Number one gonna be number one I'll be good I wish I could Get this message over to you now When you see me again I hope that you have been The kind of person you really are now I'll be so good I wish I could Get the message over to you now
