

# Sly & The Family Stone, Love City

Ahhhh yeah  
Love City x 2

Rose & Sly: Love a generation  
Who do you want to be  
Get into your own thing  
Everybody's free free free free

Love City x 2

Look into the future  
Tell me what you see

Brothers and sisters holding hands  
You sittin next to me

Peaceful minds and beautiful heads  
You see short and long hair  
You just might even see Harry Hippy  
Groovin with the squares

I can see a big reunion  
How could we go wrong now  
All these wonderful people singin  
All these wonderful songs, yeah

Love City x 2

Larry & Sly scat sing

Love City

L-O-V-E

Love City

I got to have it

Love City

Ooooooooooh

Love City

I want it

Love City

I want it  
Now now now now now now now now

Love City  
Love City  
I want it now now now now now now
