

# Small Faces, Eddie's Dreaming

I see the sunshine, the sunshine sees me  
I feel the breezes off of the sea  
The palm trees are waving  
The sand is so warm  
But I'm only dreaming  
I'm dreaming alone

Eddie's dreaming (always dreaming)  
Eddie's dreaming (always dreaming)

I'm eating banana, my friends sit around  
I tell them my stories  
They won't make a sound  
The girls they'll be dancing  
To the beat of the foam  
I'll smoke and I'll watch them  
When I'm back home
