Small Faces, Rollin' Over

Rollin' over

Goodbye sunshine I'm on my way I'll be long time gone by the break of day Tell everyone that I'm gonna find it There ain't nothin' gonna stop me -

Rollin' Over, Rollin' Over

Save all your lovin' till I get home To the sweetest lovin' sunshine that I've ever known Tell everyone that I'm gonna find it There ain't nothin' gonna stop me -

Rollin' Over, Shak-do-way Rollin' Over, Yeah-yeah-yeah...
