

# Small Faces, Things Are Going To Get Better

Things are going to get better  
Times change, better later than never  
Being true to myself  
Makes me see all the more

Things are going to get better  
Times fly, so don't you upset her  
And I know how I feel  
And it's time for a change

Things are going to get better  
I said I knew it, I want to tell everybody  
The moment that I met her  
And it seems that my mind  
Has survived on its own  
Things are going to get better
