

Smash, Can You Feel The Love Tonight

There's a calm surrender
To the rush of day,
When the heat of the rolling world
Can be turned away.
An enchanted moment
And it sees me through.
It's enough for this restless warrior
Just to be with you.
And can you feel the love tonight?
It is where we are.
It's enough for this wideeyed wanderer
That we got this far.
And can you feel the love tonight
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best.
There's a time for ev'ryone, If they only learn
That the twisting kaleidoscope
Moves us all in turn.
There's a rhyme and reason
To the wild outdoors
When the heart of this starcrossed voyager
Beats in time with yours.
And can you feel the love tonight?
It is where we are.
It's enough for this wideeyed wanderer
That we got this far.
And can you feel the love tonight
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best
