

Smash Mouth, Getting Better

(It's getting better all the time)
I used to get mad at my school
(no, I can't complain)
The teachers who taught me weren't cool
(no, I can't complain)
You're holding me down,
Turnin' around,
Feeling me up with your rules

I've got to admit, its getting better (better)
A little better all the time
(no, I can't complain)
I have to admit, its getting better (better)
A little better since you've been mine

Me used to be an angry young man,
Me hiding my head in the sand
You gave me the word,
I finally heard,
I'm doing the best that I can (yeah)

I've got to admit, its getting better (better)
A little better all the time
(no, I can't complain)
I have to admit, its getting better (better)
It's getting better since you've been mine

Getting so much better all the time
(it's getting better all the time, better, better, better)
It's getting better all the time
(better, better, better)

I---I have to admit it's getting better, (better)
A little better all the time (No, I can't complain)
You're stressed, I admit it's getting better
It's getting better since you've been mine
Getting so much better all the time
