

# Smash Mouth, Out Of Sight

Paintings Of Dogs Playing Pool  
Smoking Cigarettes They Drink 'Til They Drool  
Well We Ain't So Dumb, Just Numb  
And Tomorrow's Another Year  
Could You Tell Us What Happened 'Cause We Weren't Here  
We've Been Hitching A Ride With A Big, Fake Rubber Thumb

And You're A Star Now, Blinking Bright  
And You Drive So Fast Now, Out Of Sight

The Ticker Tape Wants Us To Fail  
And The Limousine Just Drives Us To Jail  
And The Concierge Can't Tell Us Where The Ladies Dance  
But You Are My Friend In Miles  
Radio Waves, Stations, And Dials And Smiles  
Cities And Towns, Slow Down

And You're A Star Now, Blinking Bright  
And You Drive So Fast Now, Out Of Sight  
Out Of Sight  
Out Of Sight

[INSTRUMENTAL BREAK]

And You're A Star Now, Blinking Bright  
And You Drive So Fast Now, Out Of Sight  
Out Of Sight  
Out Of Sight  
Out Of Sight

Out Of Sight...
