

# Smash Mouth, Then The Morning Comes

Paint the town, take a bow  
Thank everybody  
You're gonna do it again  
You are the few, the proud  
You are the antibody  
Mind soul, and zen

And the world's a stage (and the world's a phase)  
And the end is near

So push rewind just in time  
Thank anybody  
You're gonna do it again

The way that you walk  
It's just the way that you talk  
Like it ain't no thing  
And every single day is just a fling  
Then the morning comes

Take your knocks, shake them off  
Duck everybody  
You're gonna take them again  
You are your foe, your friend  
You are the paparazzi  
You are the tragedian

And the world's a craze (and the world's a phase)  
And the end is near

So push rewind just in time  
Thank anybody  
You're gonna do it again

The way the you walk  
It's just the way that you talk  
Like it ain't no thing  
And every single day is just a fling  
And when it comes it moves so slow  
Kinda like it's saying I told you so  
Looking back before she goes  
Tomorrow's gonna hurt

And the world's a stage (and the world's a phase)  
And the end is near

So push rewind just in time  
Thank anybody  
It's just the way that you walk

It's just the way that you talk  
Like it ain't no thing  
And every single day is just a fling  
Then the morning comes
