

Smash The Statues, It's Just The Same Bullshit V

Here's my two cents on this one and I beg you "please don't let me stand alone";
And I won't stop until it's over... until these fucked up things are gone
How could this ever happen? How could this ever be?
And now it's time to stop the thinking and start the fucking action

Time and time again: the American justice, interfering everywhere, wrong or right? They don't care
Time and time again, we have to stop, this hegemony, the white house power, it's time to break the

Your self-interest is higher than the welfare of the world
Just by playing god, you're messing up the earth
How could this ever happen? How could this ever be?
It's always the same bullshit that comes back with a different name
