Smashing Pumpkins, Chewing Gum

Chewing gum wondering where i've been and what i've done wondering where i'll go and where i'll run hide myself away from everyone chewing gum doesn't ['does it'] bother you that you're not the one keeps you up at night in a fear of dream to count the silver bullet of your misty it's yours to keep chewing gum innocence lost in electric smiles perfectly cast in desperate clouds ['colds'] loving with under city lights with all their {miles} and all i need is you by my side by my side by my side chewing gum wondering where i've been and what i've done wondering where i'll go and where i'll run hide myself away from everyone chewing gum got myself a piece of chewing gum
