

# Smashing Pumpkins, Obscured

Lost your head  
How you sleep on the floor  
What you said  
I don't want anymore  
Through the haze  
Make your eyes up to ache  
Out in space  
Days away

Through these eyes  
I rely on all I see  
Obscured  
Through these eyes  
looks like I'm home tonight

Left for dead  
As you sweep out the car  
Things we said  
We don't mean anymore  
Tear inside her  
Like a fallen kite  
Hah, hah, hah, hey, hey, yeah

Through these eyes  
I deny, although I see  
Obscured  
Through these eyes  
Looks like i'm home tonight  
What you said  
Made a mess of me  
What you said  
I don't know  
Obscured
