

# Smashing Pumpkins, Thru The Eyes Of Ruby

Wrap me up in always and drag me in with maybes. (yeah)  
Your innocence is treasure, your innocence is death.  
Your innocence is all I have.  
Breathing underwater and living underglass.

And if you spin your love around; the secret of your dreams.  
You may find your love is gone and is not quite what it seems.  
To appear, to disappear beneath all your darkest fears.

I believe in never; I believe in all the way.  
But belief is not to notice, belief is just some faith.  
And faith can't help you to escape.  
And with this ring I wed thee true.  
And with this ring I wed thee now.  
And with this ring I play so dead.  
But no one's asking, for the truth, so let me tell you.

If you spin your love around; the secrets of your dreams.  
You may find your love is gone and is not quite what it seems.  
To appear, to disappear beneath all your darkest fears.

To the revelation of fresh faced youth.  
No one will come to save you.  
So speak your peace in the murmurs drawn.  
But youth is wasted on the young.

Your strength is my weakness; your weakness my hate.  
My love for you just can't explain. (why)  
We're forever frozen, forever beautiful.  
Forever lost inside ourselves.

The night has come to hold us young. [x6]
