

# Smile Dk, Golden Sky

Welcome to the wonderland  
A place for you and me

If you treat me right  
Then maybe you will have a key

This world is very special  
And I'll show it just for you

All you have to say is 'yes I do'

Let us fly-ay-ay ay-ay  
La-di-da-di-da-di-dah  
To the golden sky  
It's the paradise of smile  
Where the sun always shine  
La-da-di-da-di-da-di-dah

There are many secrets  
That I'd like to share with you

I will show you magic  
If the words you say are true

Imagine that the wildest dreams  
Are in this mystery

It's a perfect place for you and me

Let us fly-ay-ay ay-ay  
La-di-da-di-da-di-dah  
To the golden sky  
It's the paradise of smile  
Where the sun always shine  
La-da-di-da-di-da-di-dah
