

Smile, Doo Be Di Boy

Baby I've been missing you
And I hope you've missed me too
You're my treasure you're my love
You will always be the one for me
* 'Cause I know, you are my superstar
Like a heaven high
Whenever we're together you & I
You are my superstar
So glad that I found you
** He's my doo-be-di-boy, my doo-be-di-boy
Ai-ai-ai what a wonderful joy
He's my doo-be-di-boy, my doo-be-di-guy
Ai-ai-ai he's my sweet samurai
Everytime you call my name
You move me like a hurricane
Like a flower in the spring
Fun and happiness you bring to me
* repeat
** repeat
