

Smiley Kids, Jesus Is My Shrink

please search my mind
please look inside
there's something wrong
i just can't hide
my brain is strange
I can't understand
why i sometimes think
the things i think
and i wonder
am i the only one
or is there anybody else
who feels as scared and mixed up as i feel

There's something wrong inside my mind
and only you can fix it up
I always feel so left behind
but when i leave it up to you
I always end up feeling fine
