

# Smith & Mighty, Year 2000

Strange things are happening but don't be amazed  
Be conscious of those devious ways  
The type of shit we see everyday  
In the year two more problems to face

Year 2000 you have to focus  
Now is the time to get serious  
There's money to be made  
But you must be conscious  
The terrorists, they're getting anxious  
Millitant dark and damned dangerous  
Tra la la...

There's money to be made  
There's no one you can trust  
Mind out for the one devious  
Tra la la...  
Come listen boy if you get curious  
Built my lyrics on the damned minibus  
Hotter than the coffee in your thermos  
Ninja is getting serious  
Smith & Mighty, D. Rose dem a bust  
Tra la la...

Strange things are happening but don't be amazed  
Be conscious of those devious ways  
The type of shit we see everyday  
In the year two more problems to face
