

Smog, A Hit

It's not going to be a hit
So why even bother with it?
It's not going to be a hit
So why even bother with it?
Just lay it down, and forget about it
Lay it down fast, forget about it

I'll never be a rock and roll saint
I'll never be a rock and roll saint
'Cause i can't sing
Oh no i can't sing
That's not the only reason
That's not the only reason

I'll never be a bowie
I'll never be an eno
I'll never be a bowie
I'll never be an eno
I'll only ever be a gary numan

I'll never be a rock and roll saint
