

Smog, I Want To Tell You About A Man

I want to tell you about a man
You won't find him on your MTV
He doesn't drop acid
He doesn't even read Dick K. Phillips
He's not a seminal member of New York's new wave scene
He doesn't publish a phantazine
His name is Jesus Christ
His name is Jesus Christ
Don't make me say it twice
His name is Jesus Christ
