

# Smog, In The Pines

The longest train I ever saw  
Went down that Georgia line  
The engine went by at six o'clock  
And the cab went by at nine

In the pines  
In the pines  
The sun never shines  
And we shiver  
When the north wind blows

Well I asked the captain  
For the time of day  
He said he  
Threw his watch away

A long steel rail  
And a short cross tie  
And I'm on my  
Way back home

In the pines  
In the pines  
The sun never shines  
And we shiver  
When the north wind blows

Little girl  
Little girl  
What have I done  
That makes you treat me this way  
Well you have caused  
Me to weep  
You caused me to moan  
You caused me to leave my home

In the pines  
In the pines  
The sun never shines  
And we shiver  
When the north wind blows
