

# Smog, Justice Aversion

Happens on a side street, maybe  
Happens on a main street, maybe  
Lion bites zebra neck  
Zebra stomps lion head

It's justice  
Justice aversion  
In a proper way, 'cause I don't today

And root for the underdog  
No matter who they are  
At the bank robber in the getaway car

It's justice  
Justice aversion  
In a proper way, 'cause I don't today

I could stay up all night talking  
About animal nature  
And universe hesitant  
And the grand ??

It happened on a side street, maybe  
It happened on a main street, maybe

It's justice  
Justice aversion

And root for the underdog  
No matter who they are  
At the bank robber in the getaway car
