

Smog, Somewhere In The Night

Have you lost your faith
Have you lost your way
Have you lost everything
You thought you held
Yesterday

You should leave me behind
And devote all your time
To kissing the spoon
That you once fed him from

Do you lose your mind
Somewhere in the night
While searching the asides
And the b-sides

You should leave me behind
And devote all your time
To licking the spoon
You once fed him from

Have you lost your faith
Have you lost your way
Have you lost everything
You thought you held
Yesterday
