

# Smog, Stick In The Mud

There's nothin' I'd rather see  
Than for you to fail  
There's nothin' I'd rather see  
Than for you to fail  
And where is the beauty  
That I once had?  
Where is the beauty  
That I had once?

I feel like I'm becoming a stick in the mud  
I feel like I'm becoming a Lou Reed - Mistrial stick in the mud

There's nothin' I'd rather see  
Than for you to fail  
And where is the beauty  
That I once had?  
Where is the beauty  
I had just once?  
I hate songs with questions in them  
I feel like I'm becoming a stick in the mud  
I feel like I'm becoming a Lou Reed - Mistrial in the mud
