

Smog, Stick In The Mud

There's nothin' I'd rather see
Than for you to fail
There's nothin' I'd rather see
Than for you to fail
And where is the beauty
That I once had?
Where is the beauty
That I had once?

I feel like I'm becoming a stick in the mud
I feel like I'm becoming a Lou Reed - Mistrial stick in the mud

There's nothin' I'd rather see
Than for you to fail
And where is the beauty
That I once had?
Where is the beauty
I had just once?
I hate songs with questions in them
I feel like I'm becoming a stick in the mud
I feel like I'm becoming a Lou Reed - Mistrial in the mud
