

Smog, Strawberry Rash

Meet strawberry rash
One on each cheek
Coins in the crack
Meet strawberry rash

It's the banquet of a starving girl (x2)
She's gonna swallow glass

Meet strawberry rash
Red eggs and brown apples
She's gonna swallow glass
Meet strawberry rash
Coins in (poison?) the crack

It's the banquet of the starving girl (x2)
She's gonna swallow glass
meet strawberry rash
Coins in the crack
And beggin' her to piss
