

# Smog, Strawberry Rash

Meet strawberry rash  
One on each cheek  
Coins in the crack  
Meet strawberry rash

It's the banquet of a starving girl (x2)  
She's gonna swallow glass

Meet strawberry rash  
Red eggs and brown apples  
She's gonna swallow glass  
Meet strawberry rash  
Coins in (poison?) the crack

It's the banquet of the starving girl (x2)  
She's gonna swallow glass  
meet strawberry rash  
Coins in the crack  
And beggin' her to piss
